CARRIER OBEJECTIV

Eager to begin my journey as a front-end developer by turning ideas into clean, user-friendly websites. I aim to grow by learning from real-world challenges and contributing positively to a creative and collaborative team.

SKILLS

Hard Skills: HTML5, CSS3, JavaScript, Bootstrap, PHP, MySQL, Git & GitHub, VS Code, XAMPP, Responsive Design.

Soft Skills: Communication, Teamwork, Time Management, Quick Learner, Adaptability.

PROJECTS

Booknest (Online Bookstore Platform)

Tech Stack: HTML, CSS, JavaScript, Bootstrap, MySQL

Designed and developing a responsive book-buying platform with user authentication, dynamic product listings, and secure checkout.

Portfolio Website - [//nilesh-personalportfolio.netlify.app/](http://nilesh-personalportfolio.netlify.app/)

Tech Stack: HTML, CSS, JavaScript

Created a modern, multi-page portfolio website showcasing personal introduction, skills, projects, contact form, and responsive layout. Deployed live using Netlify.

Lifeline Support NGO Website

Tech Stack: HTML, CSS, JavaScript, PHP, MySQL

Built a website to represent an NGO's mission, donation functionality, volunteer signup, and blog system using PHPMyAdmin for backend management.
